

ALREADY ESTABLISHED?

If you are already a dog groomer but want to get certified then there is a fast track course just for you.

As Dog grooming is going to become regulated in the near future, dog groomers who have been grooming for years, who are self taught will need to become certified to carry on in the industry.

A City and Guilds qualification is highly recognised, by employers and the general public which in turn helps you gain that extra trust.

When you have been grooming for years and you don't need to be taught, there is a course for you and possibly your staff too

to gain their L2 & L3 qualification in no time.

This Qualification can be done in house or externally.

For external please ask for details as cost will differ slightly due to travel.

L2 = £500

L3 = £1500 for 4 days

Or

L3 = £800 for 2 days (this is if you are confident as can be quite intense)

Please note L2 has to be completed before you can do the L3)
